P/T Conferences are a great opportunity to hear about your child's progress. Teachers will be setting up specific appointments with those students most in need of a conference. Additionally, you may contact any teacher to request a day/time to meet. Finally, we will accommodate "walk-ins" during conferences as long as no other appointments have already been scheduled. Feel free to contact the main office and/or your child's teacher(s) with any questions.

**Thank you for joining us! ~Mr. Messmer, LVM Principal**
